

Remember, if you play small, you stay small. It's okay to want more. Do more. Be more.

Always go with the choice that scares you the most, because that is the one that is going to help you grow.

**Without struggle
there is no progress**

*When things change inside you.
Things change around you.*

Your life isn't yours if you always care what someone else thinks.

**THE HABIT OF
PERSISTENCE IS
THE HABIT OF
VICTORY**

**WINNERS NEVER QUIT AND
QUITTERS NEVER WIN**

*Suffer the pain of discipline,
or suffer the pain of regret.*

We must not allow other people's limited perceptions to define us

Only those who will risk going too far can possibly find out how far one can go

Find a way or make one

The moment you want to quit is the moment you need to keep pushing
